### Cornish language

If you ask me, I like them all. I hope you enjoy cooking them and sharing them with your family and friends. So, for those not in the UK, just use the products and product sizes that you have available.

### Recipes from a Cornish Kitchen

When I decided to make a spatchcocked chicken I laughed a little in my head. In the process of testing the recipe I also turned some of the casserole in to a pie filling — just halve the volumes of liquid and be extra sure to thicken the sauce well.

### 30 Traditional Cornish Recipes ideas

Although they remain on the edges of Society, they still have a strong sense of their own identity, culture, and loyalty.

### Scottish Recipes

For a special treat for your guests then place a few pieces of on their tea or coffee saucer. A first glance you would be forgiven for assuming it is fudge but when you bite into a piece it instantly becomes clear that this is no fudge! I was running so fast I tripped hitting me head on the kitchen durns door frame.
