## **British Social Realism in the Arts since 1940**

My hooked tapestries are works of visual art intended to hang on the wall. Wacquant argues that neoliberalism pioneers a politics of poverty Wacquant 2009, p.

## **Subway Passengers**

It was a welcome and memorable interlude in a festival which, while always encouraging the provocative and the novel, also allows a space for audiences to engage with personal modes of storytelling and presentation. You might also have seen the 1997 movie directed by Steven Vidler. I even thought about killing somebody, holding a bank clerk up, chasing an old tart across the park.

## **RealTime — Australia2010**

Some of my work is political, some just for fun. Just as Williams linked what is, from a conventional left perspective, the unlikely couple of tragedy and revolution, so Eagleton insists not on conflating the realms of ethics and politics, or on proposing a subordination of politics to ethics, but on exploring the nature of their interrelationship with a view to strengthening the resources of the political left in an era of deep crisis.

## **Papers of Kath Whyte, head of embroidery at Glasgow School of Art, Scotland**

Haunting, it was also a work of great and unexpected tenderness.
