Understanding ethnic conflict: The international dimension

FOREIGN POLICY AND NATIONALISM: TO INTERVENE OR NOT TO INTERVENE? Taken as a whole, the book examines how successful the international system has been in managing the many ethnic conflicts that erupted after the Cold War. Including approaches from both comparative politics and international relations, this text offers a model of ethnic conflicts internationalization by showing how domestic and international actors influence a country's ethnic and sectarian divisions. Very minimal damage to the cover including scuff marks, but no holes or tears.
