## History of Hong Kong

Other events such as floods, typhoons and famine in would also play a role in establishing Hong Kong as a place to escape the mayhem. The first railway line was also launched in 1910 as the.

## 10 Must

Other features of the period included water shortages, long working hours coupled with extremely low wages. Central, Hong Kong Text Form Asia books Ltd. Democratic reforms promised in the handover deal have not materialised and young activists calling for self-determination or independence have emerged.

## Critical Readings on the Modern History of Hong Kong (4 Vols.)

With the entrepreneurial spirit of the Chinese community unleashed and the colonial administration now devoting most of its resources to support them, Hong Kong became an industrial colony and developed increasingly strong servicing sectors. Search the archive by date. He confiscated more than 20,000 chests of opium already in Hong Kong, which had already been used years earlier as a transhipment point, and supervised their destruction.

## History of Hong Kong

These soon assumed their importance in the economy, providing as well the basis for further industrialization. Steve Tsang, drawing on a vast array of official and private sources, both Chinese and European, traces the development of the classic Crown Colony government with its Governors, elite Administrative Officers and non-elected Executive and Legislative Councils, and British-based legal and education systems.

## A Modern History of Hong Kong, 1841

Moreover, British Hong Kong provides an effective backdrop to study broader political questions, such as how democracy develops, the relationship between colonizer and colonized, and diplomacy between nations.

## **A Modern History of Hong Kong, 1841**

But it was because much of the development depended on cheap labour, which toiled under extremely poor working conditions, that labour disputes and social discontent began to spread in the early 1960s. Hong Kong then became a British.

### **History of Hong Kong (1800s)**

Why the isolated island of Hong Kong? After the victory of the communists in the civil war, Mao and Zhou Enlai showed no desire to take Hong Kong by force, and the British made a strong commitment to its defence.
