How deep the link is with government and that in itself tells us the government won't act in our interest only the governments. The Big Fella- The rise and rise of BHP Billiton is the compelling story of how BHP and its partner Billiton rose from the humblest beginnings in the Australian Outback and on the Indonesian island of Belitung to starry heights on the great bourses of the world. Big Fella: The Rise And Rise Of Bhp Billiton BHP is part of Australia's DNA; but it remains an enigma.
