of current and growing concern within the professional serials librarian community and are intended to equip serials librarians to deal more effectively with the phenomenon.

Journal Editors: Gatekeepers or Custodians?

They are elite journals in their field, with impact factors between 8 and 9. There were 4 co-author papers, 6 editorials and 1 meeting report as well as 10 reviews in Cancer Biology and Therapy. The former EiC has an even more stunning PubMed record, 732 hits a few articles in the list seem not to be his , i.

of the articles, results from one measurement are shown examples , often without any explanations regarding the statistics.

Editors as Gatekeepers: Getting Published in the Social Sciences

Thank you for your interest in our work that we hope has a positive impact on the field and helps bring new knowledge and treatments for patients with cancer.

'Gatekeepers' and the quality of the journal literature: Findings from a survey of journal editors into the issue of alleged excessive publication in scholarly and scientific journals

The journal Clin Oral Implants Res a Wiley publication was founded in 1991 and its founding EiC remained in charge until June 2016. One review has been cited over 1000 times. Instead, they outline a problem
