While the protections affect most employees, individuals and those working on small family farms are among those exempted from the law.

Workplace Safety and Health

It is the responsibility of the workplace parties to ensure compliance with the legislation. Exemptions to the regulation The WHS Regulation allows the regulator to grant an exemption from compliance with any provision of the WHS Regulation.

SO 1997, c 16, Sch A

The Occupational Safety and Health Act is a comprehensive law — it covers most employers. Roosevelt signed the into law in 1935, providing retired and disabled Americans with a financial safety net. We can advise you about how these factors apply to your case.
