## Walt Whitman Poetry Analysis

The psychoanalytic interpretation of literature need not, however, be an exclusively reductive practice.

### Walt Whitman's poetry (1968 edition)

Catel's general point about the poet's autoerotic sexuality was modified by Stephen Black 1975 and followed by Justin Kaplan 1980 and Paul Zweig 1984.

### Walt Whitman

Any fear may, of course, actually be delusional and therefore serve as an indication of paranoia; but without any evidence from the text to suggest that the fear is not based on reasonable judgment and there is absolutely none , a convincing diagnosis that a given fear is unfounded requires an extratextual, biographical judgment that the poet was documenting very real anxiety which is nonetheless unjustified by the circumstances of the poet's life--precisely the kind of biographical judgment Moon refuses to make.

### Walt Whitman's poetry (1968 edition)

I am ashamed--but it is useless--I am what I am; Hours of my torment--I wonder if other men ever have the like, out of the like feelings? With his words, he is creating a double landscape and by using repetition it makes his ideas very powerful and personal.

### PsyArt: An Online Journal for the Psychological Study of the Arts

O me, what I was for years, now dead, I lament not--I am content; O to disengage myself from those corpses of me, which I turn and look at, where I cast them! In his Whitman biography, for example, Justin Kaplan 1980 uses the poetry to help explicate the many psychological tensions in the poet's life.
