One of the most important figures in these discussions is James Legge, the Scottish missionary-scholar to China, and translator of Chinese writings into English and Christian writings into Chinese. This entry was posted in and tagged , , , on by. It kept on oscillating, a success now and a defeat then.

## Western reports on the Taiping : a selection of documents

This book review has been published in the Journal of the American Oriental Society, vol. Uighurs have long faced economic marginalization and political discrimination as an ethnic minority, now accounting for nearly 11 million people in a country where nearly 92% of the 1. Particularly was this the case in colonial Papua where those who landed in gaol were likely to be a cross section of those villagers who came in contact with the white man's law, most of which they did not understand.
