Cultural Variables in Psychiatry

This is probably the reason why Vaillant and Mukamal 2001 found no correlation between successful aging and warmth of parental experiences, contrary to the stereotype.

Select Task Force on the Study of Harassment in the Workplace

EEOC resources can provide invaluable guidance for employers.

Dismantle Racism in Psychiatry & Society

Physical harm can also result. In light of that potential tension, we recommend that EEOC and NLRB confer and consult, and attempt to jointly clarify and harmonize the interplay of the NLRA and the federal EEO statutes. Hence, empirical data does not permit us to make declarative statements about whether training, standing alone, is or is not an effective tool in preventing harassment.
