**Full text of divine rule of Faith and practice, or, A defence of the Catholic doctrine that Holy Scripture has been, since the times of the Apostles, the sole divine rule of faith and practice to the Church, against the dangerous errors of the authors of the Tracts for the Times and the Romanists, in which also the doctrines of the Apostolical succession, the Eucharistic sacrifice, etc. are fully discussed.**

What is the basis of your faith in human reason? The Magisterium is the living teaching office of the Church, whose authority is exercised in the name of Jesus Christ. But when, in the nineteenth century, they pretend to a knowledge of ancient catholic consent, more extensive and minute than Tertullian pretended to in the second century, let them beware how they claim him as a supporter of their pretensions.

### WHAT IS TRUTH: How Is the Bible the Sole Authority for Faith and Practice?

First; Is Scripture solely and exclusively the authoritative Rule of faith? In practice, however, they have never acted up to the principle of private judgment, but have, in one form or another, urged the authority of the in deciding the contents of the , its inspiration, and its meaning. Wrap not yourself round in the associations of years past, nor determine that to be truth which you wish to be so, nor make an idol of cherished anticipations. That is what Jesus believed.

### What else is there? What else has Christ's Authority besides the Holy Bible?

This is sufficiently apparent from the passages already adduced ; especially that from his book against Maximinus the Arian, where he puts aside even the Council of Nice, and constitutes Scripture the sole Judge of the controversy. ON THE SUBJECT OF THIS WORK.
