Step up defence reach into Pacific: report

But that would definitely be at the top of my list at this time.

Response to parliamentary committees and external audits

Organisationally, the budget of the Italian armed forces was skewed towards personnel costs due to many factors, including an excessive proportion of officers to petty officers. You might be interested in knowing there is no legislative requirement to produce that report. I meet with the commissioner fairly regularly to discuss his work — and have done so during my entire period in this job — to ensure there are no significant concerns that he is noting that I should take note of, and to the extent that there are, those are brought forward and highlighted in the commissioner's report.

Standing Senate Committee on National Security and Defence

Among those addressing the more than 50 members of parliament attending the event were senior leaders from Italy, Egypt and Iraq, as well as distinguished experts on regional dynamics.
