Book Details

It beats watching hours of video or looking through textbooks in search of an answer. This simple three step technique is easy to learn, and valuable for experienced professionals as well as beginning IFR students.

Rod Machado's Instrument Pilot's Survival Manual by Rod Machado (1992, Paperbac... 9780963122902

I was very pleased when the books became available in the App store. This book is unlike any other book on instrument flying you have encountered. The accompanying ebooks can be uploaded to any device you own that reads PDFs.

Rod Machado's Instrument Pilot eGround School

Written in a humorous style, this book will prepare you to be a more educated and proficient pilot. The user interface for the electronic version is easy to navigate and just as useful and fast as the printed version, with the advantage that I have it with me on my iPad. Hewitt and comedic impressionist Alec Cody.
