Caregiving Resource Center

We do talks, events and workshops to teach parents and their children better alternatives to using technology to entertain and distract as well as how using technology can take away from your relationship.

Caregiving Resource Center

They recognize the joys and challenges of the early years and support families through free family drop-in programs, parenting education sessions, and connections with other community resources.

Health & Wellness

As a charity, they also raise funds to assist parents in covering the costs of the two programs.

Caregiving Resource Center
