## Budgeting & Personal Finance App

But when my bank upgraded their security  
Acc no longer works with it. Some  
retirement plans hit you with penalties if  
you withdraw them early, but even beyond  
that, investments tend to rise and fall on a  
day-to-day basis.

## Personal Finance: Making the Most of Your Money

Offer good for new subscribers only. They would not fix the issue and the person working with me on the phone said he had a headache and could not talk with me anymore.

## Budgeting & Personal Finance App

They are working on resolving that as I write this. I too have been using Quicken for years. Then stopped when sold properties 10+ yrs ago.

## Personal Finance: Making the Most of Your Money

Quicken has bugs that are identified and not addressed.

## Personal Finance: Making the Most of Your Money

George Quicken software is really not very good. Requested it on numerous occasions when they were seeking input on upgrades. It does not download as it is supposed to, it does not recognize all businesses or insurance companies, etc.
