## New Deal

However, the weak popular response to its ambitious fundraising campaign was a surprise, and suggested a grassroots opposition to the late president, his policies, and the United States. The economics minister, Funk, had to explain this to the generals saying, 'To live through this mess one has to be either mad or drunk: I prefer the latter'.

## Stalin's Secret Agents: The Subversion of Roosevelt's Government

There are hundreds of working men not far from here who urgently need more ground for allotments so that they can produce a bit more food.

## Deconstructing JFK: A Coup d'État over Foreign Policy?

It meant too that the French ruling class in 1940, remembering recent experiences of the 1936 factory occupations, were prepared to give way to Hitler rather than risk another revolution. The only country where exports did not make a significant contribution to growth by 2005 was the Philippines, where almost all growth was attributable to domestic demand.

## History of United States

Mixing Politics and Resistance, Peace and Freedom The months and years that followed must have been a blur for most people working full-time on anti-war and anti-racist issues.

## The Philippines

All of Alabama's delegates, and a portion of Mississippi's, walked out of the convention in protest.

## **World War II**

When Evans and Romerstein talk about Durany, though, they are even easier on those to whom he reported than they are on the man to whom Hopkins, Currie, and Niles reported: Durany arrived in Russia in August 1921, at the same time as , and over the next decade would establish himself as the dean of Western journalists in the country. His view now became more nuanced and subtle. The Soviet Union on August 9 and.

## **Rexford G. Tugwell Papers, 1911**

At a time of unprecedented prosperity after 1945, the New Deal legacy of economic management through fiscal activism seemed successful. From 1935: The major capitalist groups remained intact. Wedermeyer calculated US troops would have to outnumber the Wehrmacht by three to one.
