## Publications

Sold down the river - one Lahu girl? In the fourth edition some titles in the topical indices are emphasized with bold lettering. However, in early 2010, when the reservoir in the Longjiang Dam started to be filled, the river dried up, falling to unprecedented low levels and bringing boats to a standstill.

## Official opening of kengtawng falls hydropower station

The Myanmar government attaches significant importance to resettlement for the upstream-Ayeyawady hydropower project, and has effectively led and organized the planning, design and implementation of resettlement? Villagers had to leave a lot of their land and plantations. Within a short time, the houses beside Tanparae village were swept away by the water. During his visit, the V-P inspected construction of the spillway, power station, intake tunnel and main dam of the project.

## Upper and Lower Paunglaung Dams

..

## Upper and Lower Paunglaung Dams

. Another Kyaukpyu resident, Ma Khin Myat Nwe, 27, said most households already pay about K5000 a month for electricity. .
