. Al principio era de colores nítidos pero no muy variados, con figuras sin relieve y rostros estilizados con grandes ojos.

## Ellora Caves

The structure contains 58 small shrines which are dedicated to various forms of Shiva. The pillared verandah of the chaitya has a small shrine at either end and a single cell in the far end of the back wall. Kailasa Capital World Affairs Council of Pittsburgh.

## Arte de la India

It is located on the south of Meru, on the Himalayan slopes; the residence of Kubera.

## Arte de la India

Estas escenas se suelen relacionar con el , así como el , aunque el sexo siempre ha estado ligado a la religión hindú como vehículo de ascensión espiritual. As with many caves in Ellora, numerous carvings adorn the temple, such as those of the flower on the ceiling. Though this temple is of Chola Dravida style, the ornamentation and decoration of the architectural members extensively reflect the influence of the Hoysala school of art.
