### The Correlation Between Spirituality and Happiness

You are every single second of every day. We stand on the shoulders of others, and it is important to be rooted in this.

### Renaissance art

Do you have a specific goal, purpose, or intention in mind? To be in control requires tuning in to the level of consciousness that isn't perturbed by external forces. It works only because the Spirit works through Scripture.

### Develop Your Spiritual Resources

How To Connect With Your Spiritual Guidance It is very important that you never accept blindly what I share or what any minister, priest, rabbi, spiritual healer, channel or any other spiritual guide says. As creatures of habit, we tend to go through life on autopilot.

### Renaissance art

Even more: it is lived and experienced as a part of those who believe in Jesus and his good news, a Body of Followers whose members are formed and shaped in this way, as found in Scripture.

### 10 Ideas: Reflecting the Fruit of the Spirit

It is power focused in the right place. How can creating beautiful art be regarded as a way of worshipping God? If a work of art speaks to you, spend time contemplating it.
