The book provides a comprehensive overview of the study of

Institutions

The following year, their daughter was born.

Operational codes, institutional learning and the optimistic model of post

It is obvious that any system that engages only in exploitation will become obsolescent in a changing world, and that any system that engages only in exploration will never realize the potential gains of its discoveries. The assumption, that institutional structures persist unless there are external shocks, underestimates both intra- and interinstitutional dynamics and sources of change.
