source of my knowledge about donuts? But there is no contrast here between believing and knowing.

Understanding the Basic Difference Between Knowledge and Belief

I am going to live for another 60 years at least, I believe.

Knowledge, Belief and Attitude

Sometimes they are other propositions which I likewise accept because I have good reasons for accepting them. A man who knows how to do something may be quite unable to tell us, or himself, how he does it. Theoretically, this can change whenever we are exposed to new information, history, statements by experts, etc.

Lecture 3: Belief and Knowledge

Judaism categorically doesn't, as we will see in the words of the Ramchal. On the other hand, belief is all about conviction.

Difference Between Knowledge and Belief

Belief is a second best. Can I believe in the
