Academic & University News

Support for dismantling was by this time coming predominantly from the French, and the of November 1949 greatly reduced the levels of, though dismantling of minor factories continued until 1951.

**Operation Coal Scuttle**

They shed new light on the ways that racial policy worked and was understood, and consider race's function, content, and power in relation to society and nation, and above all, in relation to the extraordinary violence unleashed by the Nazis. Private corporations were created under the supervision of the government to oversee specified industries and manage the supply and distribution of foodstuffs.

**New miners in the Ruhr : rebuilding the workforce in the Ruhr mines, 1945**

New judges seen being sworn in; children playing; implied vision of a new peaceful Germany.

**Invited but Unwanted? Migrants from the East in Germany, 1890**

Their ancestors may, in the late nineteenth century, have left their villages in the border regions of Prussia and the tsarist empire to work in the industrial and mining centres further west. In the absence of a special agreement between the belligerents, prisoners of war shall be treated as regards board, lodging, and clothing on the same footing as the troops of the Government who captured them.

**Operation Coal Scuttle**

Souvenirs de captivité et d'évasions 1915-1918. The loss of nitrate imports, vital for the production of both explosives and fertilizers, proved disastrous for German agriculture. The historiography of the Great War can be divided into three phases.
