### Discipline and grievances: what should be in a revised Acas code?

It is only possible to do this when employees have been informed of the problem or issue in question. Your disciplinary outcome letter should confirm the details for you.

### Revised Acas Code Of Practice On Disciplinary And Grievan...

You are expected to be reasonable in your request to be accompanied.

### ACAS Code of Practice

For example, in a large organisation it would be reasonable to expect an investigation or an appeal to be carried out by someone independent and in the instances of appeals someone more senior than the disciplinary decision maker. However, they do have the right to be accompanied to a formal disciplinary hearing that could lead to a formal warning being given or other types of disciplinary action, or the confirmation of disciplinary action. A period of suspension is a neutral act and does not in itself represent disciplinary action.
