Bible Lands Museum Jerusalem

You can purchase tickets via phone: 02-5611066, Please RSVP.

The Bible Lands Museum

I say GO FOR IT! The BLMJ is a museum of antiquities and history, and is the only museum in the word which presents the history of the ethnic groups mentioned in the Bible from a Biblical point of view.

IL Bible Lands Museum

We will host the Nigun Yerushalmi Ensemble with Shlomo Ilan Keinan, composer, guitarist and Eastern stringed instrumentalist who will lead the program including discussion of the weekly Torah portion, followed by a musical performance with audience participation. Due to the generosity of the BLMJ friend association Drivers who park in the shared parking lot with the Israel Museum will be required to present their Museum tickets as they leave the parking lot. From this French original came the English edition, edited by renowned Bible scholar Alexander Jones.

The Bible Lands Museum

All Museum programs are subject to change.
