**Desert Eden by Patricia Grasso, Paperback**

Of her impiety, who changed her form Into the bird that most delights in singing. In my imagining appeared the trace; And hereupon my mind was so withdrawn Within itself, that from without there came Nothing that then might be received by it.

**The Comedy of Errors: Act II, scene ii; Act III, scene i**

It was the first time in my seventy-seven years that I can ever remember not hearing birds sing in the morning at sunrise during spring and summer. I haven't read very much of this genre so I don't know much about it but I love history and it was delightful to learn more about this era. While the combination in our region was pretty constant—within a certain dynamic expectation at the outset—new species of birds appear with each season since the early 2000s, while the expected ones have diminished in number, or have disappeared altogether, as confirmed by annual systematic bioacoustic sampling.

**Love in a Mist (Devereaux Family, #4) by Patricia Grasso**

Christians and Jews can be tolerated within a Muslim state under Muslim rule. The old Roman Empire, known to modern historians as the Byzantine Empire, was reduced to little more than Greece.

**Purgatorio 17**

Diethylstilbestrol DES , a synthetic form of the hormone estrogen—important to reproduction especially in women—was discovered in 1938. THERE WAS NO STRONG RELATIONSHIP THAT WOULD WARRANT THEM TO 'DIE FOR EACH OTHER' OR A SENSE OF TOGETHER-NESS.
