The higher these roads get, the farther apart and larger are the houses they lead to.

## The Big Knockover and Other Stories by Hammett, Dashiell

They have all the ingredients of a great story and I enjoy following the short, heavy-set detective around as he gathers up clues, makes discoveries and finally at the very end, gets the bad guys, although he is also adept at letting the bad guys get each other. Edited and with an introduction by Steven Marcus. Another book read ages ago and probably deserving of a re-read.

Ok, in the modern era where everyone seems to have posthumously published works, maybe it's not so unusual. Unlike most private investigators The Continental Op isn't a lone wolf or a nearly lone wolf with one partner , he is an agency man who answers to The Old Man and works with a large number of other agents who help him run down leads. In this first full-length study of gender in hard-boiled fiction the genre is discussed as a representation of the ideologies of masculinity and individualism.
