Teacher Perception of the Adoption and Implementation of DGBL in Their Classroom Teaching: Adoption and Implementation of DGBL Among Teachers: Education Journal Article

Your blog is reflection of your own personal style and the way you like to organise your thoughts. International Journal of Doctoral Studies, 13 2018 , 139-154, DOI: 10. Teacher participants reported each of the roles of the LMS to be more important than what is actually being practiced in their school settings and that similar views existed on both the practice scale and the importance scale.

Teaching for Learning

The most common free digital tools that school librarians use are Google Apps, 1 Animoto, 2 Glogster, 3 Prezi 4 and Edmodo. My high school employed a librarian, not a teacher librarian. Australian Journal of Education, 62 2 , 135-153, Australian Council for Educational Research Limited, DOI: 10.

Transitioning to college: Impact of high school librarians

Time for change is now — once we have allowed our school librarians to be systematically eliminated we will never get those skills back.

The Perceptions of High School Teachers on the Roles and Responsibilities of Library Media Specialists

This statistic stands out as an indicator of how important it is for teacher librarians to understand the plethora of information that is being created and how it will disrupt traditional learning.
