Bodies of Texts: Women Calligraphers and the Elite Vernacular Culture in Late Chosön Korea (1392)

Instead, Korea restricted its civil service examinations to the sons of yangban parents. No worship of ancestors was involved. Korea at the End of the Eighteenth Century 29 Such violations of both Confucian ethics and Korean sovereignty practically invited a bloody persecution.

Transmitting Haoqiu zhuan in Eighteenth

He was released for a while in 1799, but then jailed again when he again began acting like a Catholic. How could he possibly believe that absurd story that Heaven descended to earth and took human form? So was the son of a mother who was a remarried widow, no matter what her original social status may have been. January 10 was the day the Queen Dowager, acting as regent for King Sunjo, issued a call to identify Catholics throughout Korea and force them to recant.

While there, he was baptized and confirmed another Catholic sacrament. However, undeterred by that foreshadowing of what would happen to him someday, he not only stayed faithful to his choice of Catholicism over Confucianism but went on to play an increasingly important role in the Catholic community over the decade leading up to his own execution in 1801. It was supposed to identify those whom the emperor should not trust.

While for men calligraphy in literary Chinese became a means of moral self-cultivation and a highest aesthetic achievement, for women, writing vernacular script in elegant hand was a form of bodily discipline and an activity with practical social value. Korea, and most of the rest of the world, is different now.
