**Klemens H. FISCHER**

And it buttresses political stability by avoiding the social unrest that unchecked inflation can cause. The acknowledgement that the private sector played a key role in generating imbalances provided the rationale for the creation of a formal Macroeconomic Imbalances Procedure. While the new governance framework I just described can help, a vital contribution has to occur at the level of individual member states.

**EUR**

This vision will take time to implement but it should strengthen our resolve to adopt all the short term measures indispensable to finally overcome the euro area crisis. Formulating a vision of our common future, rooted in democratic deliberation, is an urgent priority. Unequal treatment between women and men violates fundamental rights.

The European Union and its Member States engaged in the discussions on the Global Compact on Migration from the very beginning, which resulted in a Global Compact that largely reflects European objectives. With low fiscal multipliers, too large policy-induced changes in expenditure or revenues would be needed to dampen the cycle. Seen from further afield, however, it is apparent that there are common values in, and common challenges to, these national social contracts.

**Questions and Answers: what is the Global Compact for safe, orderly and regular migration?**

The required budget surplus to offset the private imbalances in the euro area would have been totally unrealistic and unfeasible. BACKGROUND ACT Council Directive of 8 November 2011 on requirements for budgetary frameworks of the Member States REFERENCES Act Entry into force Deadline for transposition in the Member States Official Journal Directive 13.
