The learners were also observed in two non-drama based approach lessons which allowed us to see whether there was greater engagement using a drama-based approach, compared to standard teaching. They conversed with a lead school for MoE and looked at planning examples before trialling their own lessons.

National Oracy Project (1987)

Between 1943 and 1966 the Department administered the state's historic sites and monuments, now operated by the Office of Parks, Recreation and Historic Preservation.

Kingman Report (1988)

Starting 1983, a cooperative team approach was used to provide special and occupational education and vocational rehabilitation services to youths still in school. Since the 1960s the various professional boards have increasingly employed national standardized professional examinations.

The History of Education in England

Critics asserted that the tests were either too hard, or too easy.

Kingman Report (1988)

In 1812 a landmark law established a statewide system of common school districts and authorized distribution of interest from the Common School Fund.
