Cecil essentials of medicine : Free Download, Borrow, and Streaming : Internet Archive

The explanations are much more concise and easier to understand, too. Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. I am a urologist and I just finished reading the 3600 pages of Campbell's Urology of the latest edition and felt this book would give me a good overview of medicine that I need to know and understand.
