Joining Shell would allow him to continue flying.

### The Ginsburg Tapes on Apple Podcasts

I took him to the end of the strip, switched on my recorder, and we were soon back in the days when young Bader was flying Bristol Bulldog bi-planes, playing every kind of sport, indulging in wild antics - which on one occasion came close to seeing him kicked out of the air force - and enjoying life to the full. Kendall, tolerated Bader's aggressive and competitive nature.

#### **Remembering Ruth Bader Ginsburg with Constitution Center CEO**

He had forgotten to switch the from coarse to fine, and the aircraft careened down the runway at 80 mph, ultimately crashing. The way it is, is wrong.
