Link between economic growth and employment

The notion that today's booming economy is in any way related to Obama is just laughable.

Gross Job Creation, Gross Job Destruction, and Employment Reallocation on JSTOR

In fact, jobs created after the last few recessions have led to greater because rehired workers became willing to take jobs that paid less.

Gross Job Creation, Gross Job Destruction, and Employment Reallocation on JSTOR

Workforce participation is at an all-time low of 62.

United States Job Openings

Taking these factors into account, our new research estimates that between almost zero and 30 percent of the hours worked globally could be automated by 2030, depending on the speed of adoption.
