It turns out I was way wrong and I was very disappointed at the quality of this film. Jewish eastern Ashkeanzic : variant of Smolinski.

Who is Nikolai Smolensky and where did he get his millions?

Plantele sunt foarte frumoase, sănătoase și vioaie! A reputed adrenalin junkie who loves fast cars and flying planes, Smolensky is said to be an enthusiastic admirer of a firm with a loyal clientele for handmade cars with performance to match their wild styling and rumbling growl. The horse's condition deteriorates and he ends up pulling a junk cart. We follow them around Amsterdam, at their hotel, still smokin' joints and doing shows.
