Vastu shastra

Vastu and Jyotisa; and III. Vastu Shastra are the textual part of Vastu Vidya - the broader knowledge about architecture and design theories from ancient India.

Vāstu, Astrology, and Architecture

Many of these are about Hindu temple layout above , design and construction, along with chapters on design principles for houses, villages, towns.

Is Vastu Shastra relevant to Architecture of the 21st century?

The general concept now is that Vastu Shastra is for the rich who can afford to spend extra to change building plans to suit this ancient science. Our representatives will always be at your service.
