### Four Paths to Ordination

He is said to have been the driver in the Tokyo gas attack and was caught in Tokyo, having been on the run for 17 years. It was only after the that Aum Shinrikyo was discovered to be behind the Matsumoto sarin attack. The government appealed the cancellation, and in February 2019 the Tokyo High Court overturned the lower court's decision, reinstating the surveillance, citing no major changes between Aum Shinrikyo and Hikari no Wa.

### Aleph

This style is known as Rashi Script, in honor of , the greatest commentator on the and the .
