Fassbinder passed away in 1982, Kluge works primarily in television and writes books and the others occasionally shoot, but have not managed to receive the same recognition as Wenders. Wim attended school in Oberhausen and enrolled at the University in Freiburg to study Medicine in 1963. The superbly photographed, leisurely odysseys reach metaphysical dimensions, as in Paris, Texas 1984 , his greatest international success.

Academy of Motion Picture Arts and Sciences. Much of the distinctive in his movies is the result of a long-term collaboration with Dutch cinematographer.

### ヴィム・ヴェンダース

But this is still a Wenders film through and through—not just in its globe-trotting perspective, but in its moody existentialism and psychological opacity.

### Wings of Desire (1987)

Homer: My heroes are no longer the warriors and kings. This adaptation of a novel was just his second film, following the release of his feature-length graduate project, , in 1970. And how much money does Wim Wenders earn? A legendary name in both German film and world cinema, Wenders—possibly through his sheer longevity—has arguably been taken for granted in recent times.

### ヴィム・ヴェンダース

His passion for cinema saw him quit his initial study course as a physician and delved much in filmmaking. The project fell through when he insisted on filming in , which the Wagner family found too costly and disruptive. That fall, he entered the Hochschule für Fernsehen und Film München.
