Judaism and Ecology: A Theology of Creation

Not so are the wicked, who are like demons, who rejoice in destruction of the world, and they destroy themselves.

On Judaism and the Environment

To reduce potential threats to the U. In 2014, Hazon took over Isabella Freedman Retreat Center, creating the most powerful Jewish organization devoted to environmental issues.

Judaism and the Environment

Love of God includes love of all His creations: the inanimate, plants, animals and humans.

Afterlife in Judaism

Reprinted by permission of the author. A scion of a Hasidic family who received modern university training, Heschel escaped the Nazis in Germany, eventually settling in the United States in 1944. Many Jewish thinkers understood creation to mean emanation and depicted the universe as a hierarchical great chain of being in which each thing occupies its natural place and acts in accord with its inherent telos.
