## Book of Mormon: A Very Short Introduction

And there is no better guide to that text than Terryl Givens, a marvelous scholar who has now given us this highly readable and insightful introduction .

## Very Short Introductions

Written by experts for the newcomer, they demonstrate the finest contemporary thinking about the central problems and issues in hundreds of key topics, from philosophy to Freud, quantum theory to Islam

## Very Short Introductions Book Series

Some of these resonate with familiar nineteenth-century religious preoccupations; others consist of radical and unexpected takes on topics from the fall of Man to Christ's mortal ministries and the meaning of atonement. It is hard not to mention Joseph Smith when writing about the BoM, but Givens also introduces other personalities, such as Oliver Cowdery, Martin Harris and David Whitmer, that played significant roles in the book's publication.
