## Tax History Project

Evidence suggests that the existence of a match increases participation and that higher match rates are associated with higher participation.

### Pros and cons of restricting SNAP purchases

These consumption floors are expected to reduce the precautionary saving motive the perceived need to save in preparation for sudden economic losses and are therefore expected to lower saving rates in general. In response to the new information that had become available, the FDA in April 1981 published another notice reopening the comment period on the proposed regulation until June 29, 1981. Manufacturers will be able to petition Start Printed Page 33779FDA to request that we amend the definition to include additional fibers, as appropriate.

### SNAP Eligibility

They have not shown understanding or appreciation of—and thus have not communicated—a sense of Negro culture, thought, or history. Republic of Iraq, 146 F. League of Women Voters of Cal.

### 3 Research Issues In Evaluating Food Assistance Programs

Another Arkansas-based organization, with a profit-making subsidiary that has purchased an automobile parts and service center employing low-income residents, plans to acquire two additional businesses.
