## AJIC Final Report

Strategies for showing use and occupancy have been employed in the courts since Calder, where Duff was asked to define the extent of Nisga'a land use.

## Legislative Summary of Bill C-75

These 'Farmers' Rights' are currently subject to debate, especially in terms of clarifying what is meant by the term, and its implications for the rights of local and Indigenous communities regarding food and agricultural knowledge and production, and access to, control and ownership of plant genetic resources. This Act currently does not include in its provisions scope for protection over non-tangible aspects of heritage.

Scotia and all three territories have established criminal courts that specialize in Indigenous matters. In cases where charges are withdrawn, dismissed or stayed with respect to primary offences, the Attorney General must decide whether to proceed with the prosecution of charges pending for administration of justice offences i. We stress that desertification, land degradation and drought are challenges of a global dimension and continue to pose serious challenges to the sustainable development of all countries, in particular developing countries.

## **CONVENTION ON BIOLOGICAL DIVERSITY (1992)**

Such education should be based on the UN Declaration on the Rights of Indigenous Peoples, and stress the importance of public consultation, engagement, and accountability in systemic human rights cases affecting Aboriginal peoples. .
