The 10 Worst Things Joe Biden Has Done in His Political Career

. But activists and lawmakers are also responding to Democratic wins at the state level in 2018.

Political Issues of 2021

At the time, Biden was the chair of the Senate Judiciary Committee, which means he was in charge of the proceedings, including the hearing of Anita Hill, who went before the committee after accusing Thomas of sexual harassment. But an anti-union decision from the Supreme Court is likely to encourage Republican state lawmakers to put more pressure on labor through legislation.

Issues

By the mid-19th century, the southerners were supplying more than 70 percent of the cotton to Great Britain, the leading world economic and colonial power of the time.

Priorities

Margin of error ± 3. Depiction of the Marais des Cygnes massacre, an act of violence in Bleeding Kansas 8 The Dred Scott Decision The Dred Scott case or Dred Scott Vs Sanford was a landmark decision in US Law history and is considered to have acted as a catalyst in the American Civil War. Federal Tax Revision AP Few developments in Washington will have as direct an effect on state budgeting as the Republican efforts to revise the federal tax code.
