Plants & Formulas

Cao Cao was very impressed with the military discipline of his opponent so he said that he should have a child like Sun Quan and didn't launch an attack on this occasion. In 222, at the , Sun Quan's general dealt Liu Bei a major defeat, stopping the Shu offensive.

[Wikipedia:WikiProject Film/List of films without article/List of missing Chinese language Films](#)

After Cao Cao's defeat at Ruxu, many people along the Yangtze River fled south to join Sun Quan. After Liu Bei's conquest of , he was able to supply his troops on his own, so Sun Quan sent as an emissary to demand for the return of Jing Province, but Liu Bei refused. Indeed, against Liu Ye's advice, on 23 September 221 he appointed Sun Quan the King of Wu and granted him the.
