Augustine: A Very Short Introduction

He gives a balanced view, setting Augustine in his context. On one occasion his people took direct action to liberate slaves from a ship in Hippo harbour, and the chest was used to reimburse the aggrieved owners.

Augustine: A Very Short Introduction / Edition 1 by Henry Chadwick

Whilst there are distinctive themes and emphases which emerge from its early history and theology, there is little sense of unity in Anglicanism today. I recommend any person with an insatiable appetite to read and learn about the great man of Augustine to read this book. Chadwick begins by explores Augustine's intellectual influences, including Manichianism, Cicero and Neoplatonism

It is a short and effective survey of the life and thinking of one of the seminal thinkers of Western civilization. Chadwick's is a masterful example of this genre and any newcomer to this field should read this most readily.

Augustine: A Very Short Introduction: Henry Chadwick: 9780192854520

Our distribution centres are open and orders can be placed online. But my biggest problem with this book is how Chadwick places considerable emphasis on Augustine's borrowing from platonic thought, as if Plato, Plotinus, and Porphyry were his highest authority.

Christian Books, Bibles, Gifts & more.

Also assumes at least a moderate understanding of philosophy. Decent introduction to the overview of Augustine's work and especially his influences.

Augustine: A Very Short Introduction

That said, I might still buy the occasional one in the future, but would try to see it in the flesh first, just to make sure it's worth the bother. His teaching prospered throughout the subcontinent of India for more than 1,500 years and by the 13th century ad it had spread.

Augustine: A Very Short Introduction

A separate chapter is devoted to each of the following topics: animals and the environment; sexuality and gender; war, violence, and terrorism; abortion; suicide and euthanasia; and biomedical technologies and Transhumanism. Chadwick spends scant time on the biographical details of Augustine's life since much of that is covered in the *Confessions*. His acclaimed translation of Augustine's *Confessions* is available from Oxford World Classics.
