Canada and the Third World: Overlapping Histories by Karen Dubinsky

When workers of the factory in disgust after they were notified of the closure, union plant chairman Greg Moffat instructed striking workers to get back on the job. A large part of Thailand is still poor and rural.

Canada ranks #1 in the world for quality of life for the 4th year in a row

Foreign Policy, Diplomacy, and Decolonization David Webster 7.

While Nestlé extracts millions of litres from their land, residents have no drinking water

Poverty is an issue which society faces each day. Edited by: Karen Dubinsky, Sean Mills and Scott Rutherford Even though they are aware of the Third World in relation to their daily lives, most Canadians know little about the historical foundations and complex nature of their country's entanglements with non-Western societies. On a provincial level, the government of British Columbia has also delivered apologies for the historical —as well as present-day— behaviour of Old Stock Canada.

Third World Countries 2021

Over 1 million Canadians who work are poor. Is the end game not the very same? That means we want all illegal immigration stopped by arresting, prosecuting and jailing employers of illegal aliens.
