Home

We hold meetings throughout the year to educate and inform our members. Others work in the ever-growing field of. Separate courses are given for adults age 17 and over and children ages 0 to 16.

Home

Such care may be provided in the client's home or in an institution, such as a , or other such facility. Certification lasts for 24 months.

Home

Medicare does not pay for private duty nurses. Welcome To The Wisconsin Professional Homecare Providers! The practice of private duty nursing was in many senses a precursor to a rise in the 1980s of wider-scale nurse.

Private Duty Nursing

We also conduct an annual Fall Conference with numerous sessions to keep our members informed about requirements for independent nurses and case coordinators. Nurses must be re-certified before their certification expires in order to continue getting paid by the Wisconsin Medicaid Program. Many patients need care for a Gastrostomy Tube G-Tube , Tracheostomy Trach or Ventilator Vent.

Home

Nurses that care for ventilator-dependent patients in both age groups must complete both courses. .
