State Governments of the German federal states

On March 15, 1990, both East and West Germany integrated to create a united Germany, the country now is a democratic, federal parliamentary republic and has a constitution emphasizing the protection of individual liberties. However, a Brazilian who lives in Austria can enter without an urgent reason.

Who governs Germany and what is important in politics

Ludendorff and Hitler declared that the Weimar government was deposed and that they were planning to take control of Munich the following day. Ludendorff and Hindenburg soon proclaimed that it was the defeatism of the civilian population that had made defeat inevitable.

Germany Government

With elections set for early March, the Nazis set about suppressing their political opposition.

What Type of Government Does Germany Have?

The hitherto Presidential Dictatorship hereby was to give itself a new legal form. In the European Union, Luxembourg, the Belgian region of Antwerp and the Spanish regions of Aragon, Catalonia and Navarre were risk areas as of early August.
