### Theory of Human Service Delivery

If you are uninsured or underinsured and must seek emergency medical treatment: Under the , you're guaranteed access to an emergency medical evaluation, even if you can't pay. One important outer-context element that shapes the inner context is funding, which is complex and unpredictable. To differentiate and compete in the digital age, traditional financial institutions need to enable their own digital ecosystems in the cloud by integrating third-party services, improving customer onboarding, and delivering differentiated customer experiences.
