## To Preserve and Protect: The Life of Edwin Meese III by Lee Edwards

Internally, the President was under pressure to withdraw troops from those areas. The title refers to two cities mentioned in the : the Phoenician , whose King was the ally of and helped build the ; and , whose inhabitants repented of their evil ways after the Prophet warned them of God's intention to destroy their city. The Russians and Chinese immediately take advantage of the weak Jason, and are able to achieve dominance over the United States by the end.

## preserve and protect by drury allen

William Abbott, the , is reluctantly elevated to the Presidency. Deterred by Knox's inflexible will, the Russians and Chinese begin a war with each

other. .
