## American Independent Cinema in the Age of the Conglomerates

Moreover, the standards by which licensees were judged remained ill-defined, thereby inviting charges of arbitrariness. While competition can be a healthy aspect of news reporting and media in general, pushing for better quality, the oligopoly and concentrated control of media companies has meant that the competition has reduced itself to attracting viewers through sensationalism etc rather than quality, detailed reporting etc. Compton, and Michael Gasher, Rowman and Littlefield, 2005.
